

**WAIVER OF LIABILITY AND HOLD HARMLESS AGREEMENT**

I, \_\_\_\_\_, do hereby release The CRUDEM Foundation Inc., from any and all liability related to any aspect of my participation as a volunteer for the foundation. I further release from any and all liability and hold harmless all CRUDEM Foundation directors, officers, employees and the immediate family members of such individuals, the hospital at which I am volunteering (Hôpital Sacré Coeur—Milot, Haiti) and affiliated entities from any action which may be brought by my family, spouse, heirs, issue, assigns, or legal representatives concerning any matter related to my participation as a volunteer for The CRUDEM Foundation. This is intended to be a full and general release for the aforementioned parties for all liability arising out of my service as a CRUDEM Foundation volunteer.

This agreement to hold harmless shall be effective for any and all costs and expenses related to participation as a CRUDEM Foundation volunteer, as well as for any costs or expenses or any other liabilities arising from illness, injury or death incurred in the course of participation as a CRUDEM Foundation volunteer. I understand the potential risks of participation as a CRUDEM Foundation volunteer, including the possibility of contracting hepatitis A,B,C or other forms of hepatitis, contracting tuberculosis, HIV, malaria, dengue fever, cholera or other communicable or tropical diseases and the inherent risks of travel to, from, and within Haiti. I have been informed that I can learn more about such risks by consulting the CDC Yellow Book (<http://wwwnc.cdc.gov/travel/destinations/haiti.htm>) and the U.S. Department of State’s international travel information website ([www.travel.state.gov](http://www.travel.state.gov)).

I have carefully read the foregoing Waiver of Liability and Hold Harmless Agreement. I fully understand its contents. Mindful of the rights I am giving up by doing so, I sign this Waiver of Liability and Hold Harmless Agreement voluntarily and as an act of my own free will.
